

# **PROJECT DOT IN**

Near kalinga stadium square ,nicco park road

Nayapalli ,Bhubaneswar

**Contact no :-9938833993 , 9658827789**

**Email :-projectdotin@gmail.com**

**Web :-projectdotin.in**

## **2024-2025 list**

01	Automatic Hand sanitizer machine for covid-19.....	5k
02	Hand sanitizer machine by foot pressure.....	3.2k
03	Automatic wastage collector in medical .....	4k
04	Automatic dustbin full indicator.....	3k
05	Automatic dustbin full indication and SMS alerting system .....	3k
06	Waste management system.....	3k
07	Waste segregator system.....	3.5K
08	Water recycling at a vehicle service station .....	3k
09	Tractable pollution control at traffic signal -----	3k
10	Train toilet wastage disposal system -----	3k
11	Bound to clean train/public toilet -----	3k
12	Dust pollution control at crusher -----	3k
13	GSM based industrial pollution alert -----	4k
14	RF based industrial pollution alert -----	3.5k
15	OIL skimmer _____	3k
16	Prepaid toilet _____	3.5k
17	Automatic water spray during urinal -----	2.5k
18	AADHAR base awareness for swatch bharat mission LCD-----	3k
19	Automatic drainage cleaner-----	3k
20	Electricity using from garbage -----	2.5k

## **DIGITAL INDIA / SMART CITY**

21	Smart street light for energy conservation .....	3K
22	Highway over speed detector with alerting system.....	3K
23	Tractable pollution control at traffic signal -----	3K
24	Wireless power transmission using solar energy-----	3K
25	Nurse calling system for advance patient care system .....	3.5k
26	SMS based Patient monitoring system .....	3.5k
27	SMS based nurse calling system .....	3.5k
28	Smart wheel chair for physically challenged person .....	3.5k
29	Automatic feeding system in Fish aquarium.....	3.5k
30	Automatic room temp controller -----	2k
31	Prepaid toilet _____	3.5k
32	Solar CAR (keyboard based) -----	2.5k
33	Wireless control Solar CAR (GSM based) -----	3k
34	Wireless control Solar CAR (Infrared based) -----	3k
35	Automatic street light controller -----	2k
36	Automatic line follower robot for industrial carrier -----	3k
37	Automatic room light and fan controller -----	2.5k
38	Automatic main gate controller -----	2.5k
39	Remote control of wireless appliances -----	2.5k
40	Mobile controlled home appliances -----	2k
41	Industrial main gate control with alcohol detection for workers	3k
42	Solar tracking system for maximum power -----	3.5k
43	SMART HELMET.....	3.5k
44	Smart AMBULANCE with auto-traffic control -----	3.5k
45	SMART Car _____	4k
46	Manual and automatic traffic light controller -----	3.5k
47	Automatic Railway level crossing Gate Controller .....	3k
48	Advance traffic light controller with gate open close system-----	4k
49	Electricity generation by walking using piezo sensor .....	3k
50	Musical letter box .....	2k
51	Automatic water tap control .....	2.5k
52	Smart home (solar power, auto light on of inside and outside)...	4k
53	COIN based mobile charger .....	2.5k

54	Wireless tsunami alert.....	3k
55	Bluetooth controlled home appliances .....	3k
56	Wireless token calling system using 7-segment display .....	2k
57	Design and development of GSM based vehicle theft control system	3.5k
58	Alcohol detection with vehicle control & sms sending.....	3.5k
59	Industrial garbage.....	2.5k
60	Disaster monitoring system .....	3k
61	Smoke Detection .....	2k
62	LPG Gas Leakage Detector with exhaust FAN control.....	2k
63	Visitor counter for shopping malls (7 segment display).....	2.5k
64	Visitor counter for shopping malls (using calculator) .....	2k
65	SMS based home security system .....	4k
66	Driver alerting system in school college areas .....	2.5k
67	Emergency key for BANK and jewellery shops.....	3.5k
68	Automatic school bell with user denied time schedule.....	3k
69	Earth-quake detection.....	2k
70	fire fighting Robot.....	3k
71	Train accident avoiding system .....	2k
72	Train arrival information system using sms.....	4k
73	Station arrival alert system .....	3k
74	magnetic shock absorber to generate electricity .....	2.5k
75	Density based traffic light .....	3k
76	Manual remote control of traffic light.....	3k
77	Automatic water DAM control .....	3.5k
78	SMS based disaster alert system .....	3.5k
79	Automatic Vehicle accident information system by sms .....	3.5k
80	Emergency key for BANK and jewelry shops.....	3.5k
81	Saline alarm .....	1.5k
82	Traffic Light Controller 4 way .....	2k
83	Bullet train .....	5k

### **SKILL INDIA**

84	wireless disaster alert system .....	3k
85	Flood detector .....	1.5k
86	Over temp alert to avoid sunstroke .....	1.5k
87	Wind speed measurement using LCD and alert .....	2.5k
88	Railway track crack detection system using fiber optics .....	3.5k

89	RTC based irrigation system -----	3k
90	Solar based automatic irrigation system -----	2.5k
91	Automatic irrigation system -----	2k
92	Wireless pump controller -----	2k
93	protected boundary for agriculture field. -----	2k
94	automatic irrigation system with insect killer -----	3.5k
95	moisture testing in SOIL -----	2k
96	Robot for irrigation -----	3k
97	Drip irrigation system -----	2.5k
98	Bird removal machine with automatic irrigation -----	3.5k
99	Advanced elephant corridor using laser -----	3k
100	Vertical Wind turbine -----	3k
101	Wireless mobile charging -----	3k
102	solar village -----	3k
103	Visitor counter using 7- segment Display with light/fan controller	2.5k
104	electricity generation from potatoes -----	1.5k
105	Hydro power plant ( working model )-----	2.5k
106	Solar based automatic street light control-----	2k
107	Solar based table lamp with anti-sleep timer -----	2.5k
108	Automatic water supply in agriculture system using solar energy	3k
109	Solar based railway level crossing gate control -----	4k
110	Electricity generation using MUD -----	1.5k
111	Solar based intelligent parking system -----	3.5k
112	Smart traffic light control for ambulance (Solar energy operated)--	4k
113	TV remote control CAR for agriculture system (Solar energy	4k
114	Surveillance Robot with Camera & firing Gun (Solar energy based)--	6.5k
115	Solar automatic wheel chair for physically handicapped person ---	3.5k
116	Intelligent emergency light (solar based)-----	2k
117	wind energy powered mobile charger -----	3.5k
118	Solar mobile charger -----	3k
119	Electricity generation by using Speed breakers -----	3k
120	Fire fighting Robot (Solar based)-----	3.5k
121	Autonomous Garden (fully solarized)-----	4k
122	Hybrid power plant (solar, wind, hydro)-----	4.5k
123	Solar based smart home -----	4k
124	Industrial automation using solar energy -----	4.5k
125	Sea-beach light automation using wind energy -----	3k
126	Water irrigation system using wind energy -----	4k
127	solar powered car with antitheft system -----	4k
128	solar tracking system to get maximum energy -----	4k

129	Solar based wireless pump control system in agriculture system --	3.5k
130	solar boat .....	3k
131	Mobile phone charging using pedaling .....	3k
132	Solar based Auto rain detector with cloth cloth collecting system-	3.5k
133	solar based Automatic robot for irrigation .....--	4k
134	Garden power generation -----	3k
135	safety ship .....	-3k
136	Music listening system for deaf people .....	2k
137	Automatic water level controller -----	2k
138	Wireless pump control using mobile phone -----	2k
139	Prepaid Energy meter with mobile based re-charging .....	3.5k
140	Remote controlled home appliances (light/fan).....	2k
141	Mobile controlled home appliances .....	2.5k
142	Clap switch .....	1.5k
143		
144	Mobile phone charging by a HOME-MADE generator .....	2k
145	Bluetooth controlled home appliances .....	3k
146	Automatic school bell with user defined time schedule-----	4.5k
147	Metal detector _____	1k
148	Door breaking alarm using magnetic rid switch -----	1.5k
149	Electronic eye. _____	1.5k
150	Cycle for railway track man using track maintenance-----	4.5k
151	Electric –power cultivator-----	4.5k
152	Automatic wheel chair cum bed for medical -----	5k
153	Agriculture sprayer machine -----	4.5k
154	Groundnut and peanut shelling machine-----	4.2k
155	Pedal based washing machine -----	3.5k
156	Electricity generation from tree vibration-----	3.2k
157	Automatic Hand sanitizer machine for covid-19 -----	5k
158	Hand sanitizer machine by foot pressure-----	3.2k

### **LATEST PROJECT**

159	automatic black boards cleaner-----	4k
160	wireless red signal alerting for train-----	4k
161	fully automated solar grass cutter-----	4k
162	multipurpose military security systems -----	4.5k
163	auto indoor Hydroponic fodder grow chamber-----	4k
164	portable PPE kit sterilizer using UV sanitization-----	4k
165	smart door lock system finger print based-----	4.5k
166	solar based smart warehouse-----	4k
167	rain sensing motorized umbrella bag-----	4.5k
168	mobile controlled agricultural pump-----	4k

169	sea beach light automation using wind energy-----	3.5k
170	bound to clean toilet_____	4.5k
171	Bluetooth based home appliance-----	4k
172	touch less doorbell for COVID19-----	4k
173	ULTRAVOILET shoe sanitizer-----	3k
174	smog tower for air pollution control-----	3.5k
175	emergency existing school/college building-----	4k
176	advance women safety system -----	4.5k
177	smart luggage finder_____	5k
178	mines safety system_____	3.5k
179	chainless bicycles for future-----	4k
180	smart forest security system-----	5k
181	SMS based vehicle accident system-----	4k
182	Robot for covid-19 patient-----	3.5k
183	Bluetooth based agriculture pump controll-----	3.5k
184	quit smoking device_____	4k
185	mini belt grinder (mechanical project) -----	4k
186	Manually operated road cleaner( mechanical )-----	3.5k
187	Regenerative braking systems -----	3.5k
188	Rescue mechanism for bore well/well -----	4k
189	smart farming_____	4k
190	finger print based door lock system -----	4k
200	solar power system_____	4k
201	360 degree rotating fire protection systems -----	4k
202	Air purifier and humidifier using water as a filter -----	4.5k
203	automatic roti puri maker motorized press-----	3.8k
204	compact high efficiency solar water heater -----	4.5k
205	hands free wheelchair by head movement control-----	4.5k
206	hydraulic flood protection for homes -----	4k
207	portable green energy mobile laptop charging station-----	3.5k
208	solar panel cleaning robot_____	4k
209	stair climber robot with gripper -----	4k
210	water float solar power panels with sun position tracing-----	4.5k
211	auto billing mall shopping cart using RF id -----	5k
212	notice board for 5t school.....	4.5k
213	remote control plant watering.....	3.5k
214	electricity generation from plastic -----	3k
215	solar scarecrow with sound sensing -----	4.5
216	sun tracking solar panel using arduino -----	4k
217	white coal making_____	3k
218	IOT based fire detection with deforestation detection -----	4k
219	Heart attack detection by heart beat sensing -----	4.5k
220	Design of rocker bogie mechanism -----	4k
221	Automatic noise level monitor and warning system -----	4.5k

222	Accident & Alcohol Detector & Recorder Blackbox.....	4.5k
223	smart shopping trolley.....	4k
224	Smart Knock Detecting Door Lock using Arduino.....	4k
225	Atal krushi mitra.....	4.5k
226	Innovative safety device for drowning cases.....	5k
227	Recycled Plastic Bottle Solar Water Heater.....	3.5k
228	Design and Fabrication of frictionless energy generation using flywheel.....	5k
229	Rice thresher machine and rice cutting machine.....	4.5k
230	Safe transportation route for Indian army .....	3.5k
231	Advance Security System In Bus.....	4k
232	Smart Watch Protection From Disease.....	3k
233	Smart zebra crossing with weight sensor.....	3k
234	Electronics matt .....	3k
235	Under ground cable fault find .....	5k
236	Antitheft power protection system in transmission line .....	4.5k
237	Smart parking system .....	4k
238	Anti Trace Pass Road System For Intrusion Activity Or Security.....	3.5k
239	Industrial security system using RF id.....	4.5k
240	pet feeding system.....	4k
241	Leftover food collector and stray dog feeder .....	4k
242	Light board for occupational therapy patient .....	4.5k
243	Highway over speed detector with adjustable speed breaker.....	4k
