

HIGH JUMP

SURAVI

GIET GHANGAPATANA, BBSR

Team Size: Individual participant

Event Details:

1. Take-off must be made with one foot only.
2. Dislodging of the bar or breaking the plane near the edge of the bar before clearing will not be counted as successful jump.
3. Jumping height is decided by the Chief Judge. Players can accept the challenge or may pass it.
4. If the competitor fails to jump the required height in three consecutive attempts then he/she will be disqualified from the competition.
5. During the final match, whoever clears above the bar with highest height is declared as winner.
6. The jumpers have to face a jump-off if there will be a tie for a first place.
7. The height will be greater than the previous level. Each player will be given one chance for each clearance.
