# PRIZES AND REWARDS

# HACKATHON DAY

- The hackathon day typically involves a day filled with activities and events designed to inspire creativity, problem-solving, and teamwork.
- The duration of hackathon should be of **36-48 hours**. There will be six slots of 6 hours each. There should be 6 technical sessions in between each slot.
- The Mentors and Technical guidance will be provided in between each block during the event.
- Briefings on activity/event/utility tools and resources will be done during the session.

## Attention

- Participants will have an opportunity to network with industry professionals, mentors, and post-event.
- High-quality projects may be showcased on the GIET website, social media channels, or presented in future tech events.
- At the end of the hackathon, an award ceremony will take place (either virtual or in-person).
- Prizes will be distributed and winners will be announced publicly.
- All participants will be sent a feedback form to evaluate their hackathon experience. Feedback will help improve future events.

# SPEAKING ENGAGEMENT METRICS

Impact factor	Measurement	Target	Achieved
Audience interaction	Percentage (%)	85	88
Knowledge retention	Percentage (%)	75	80
Post-presentation surveys	Average rating	4.2	4.5
Referral rate	Percentage (%)	10	12
Collaboration opportunities	# of opportunities	8	10
